MEMORANDUM FOR SCHOOL PRINCIPAL

SUBJECT: Letter to Principal

Good Morning to all students, teachers, and staff,

My name is Sydney McNulty and I am the Battalion Commander for the JROTC program 2020-2021 school year. I have been a part of the JROTC program for all four years of high school.

I would like to start off by thanking my principal, Mr. Ron Guerzon for giving me the opportunity to speak on behalf of the JROTC program. Being a member of the JROTC program has been a journey but this year will surely be different. Due to all the circumstances we are under, I can only hope that our drill team will be able to compete in competitions sometime this year. With that being said, when we do get to compete JROTC will try our best to take home wins and prove to other schools that Las Vegas High School is capable of continuing their winning streak.

In addition, I would love for flag football to come back because last year I played JV and witnessed our varsity girls make it all the way to second place in the state flag football championship. I want athletics to return for the opportunity to play and help achieve the school's first ever, first place state flag football championship for LVHS.

I hope we are able to proceed with a plan for all extracurricular activities, whether that is a sports season or club meetings. I know we will be able to keep up that Wildcat Spirit!

I hope you all have been obtaining safety and staying home for the most part of this pandemic. I know that none of us expected to start school this way, but all we can do is maintain a positive attitude while adapting to online schooling and to be open and versatile to whatever is handed to us.

Once a Wildcat, Always a Wildcat!

Respectfully,
Sydney McNulty
2020,2021 Wildcat Battalion Commander JROTC
